Jacob Rees-Mogg MP

Jacob was brought up in Somerset at Ston Easton and Hinton Blewett. He now lives in the village of West Harptree with his wife Helena and their six children.

As the Member of Parliament for the constituency of North East Somerset, Jacob spends time in both Westminster and North East Somerset where, almost every weekend, he holds surgeries to meet his constituents and discuss their thoughts and issues.

Jacob was elected as the MP in May 2010 with a majority of 4914, this increased to 12,749 in the 2015 election. He was re-elected in June 2017 with 53% of the vote. In January 2018 Jacob was elected Chair of the European Research Group.

After Eaton, Jacob read History at Trinity College Oxford, before moving into finance, being based in Hong Kong and later moving back to London. He set up his own company in 2007 with a group of Partners, it is called Somerset Capital Management and specializes in investment management in global emerging markets for institutional clients.

Jacob's interests are very much family orientated. Apart from an extended family living locally in Somerset, his six children certainly keep him on his toes! In what little spare time he has left, Jacob also enjoys watching cricket. He has supported Somerset County Cricket since he was a child and enjoys few things more than a day at Taunton.

As a member of the All-Party Parliamentary Group for Historic Vehicles, Jacob has an interest in historic cars.
